RE: 12 Day Pre-Primary and Amended 12 Day Pre-Primary Report (7/01/00 - 8/23/00)

Dear Ms. Kelly:

This letter is in response to your Request for Additional Information dated December 12, 2000.

Your letter details three areas of concern to the FEC, as follows: an apparent excessive contribution by William Ruger; an excessive contribution by the National Association of Health Underwriters PAC; and a discrepancy between line 11(a)(i) and Schedule A on the Committee's Amended 12 Day Pre-Primary Report.

- Enclosed, please find a copy of a letter sent by the Committee on October 24, 2000, and received by the FEC on October 26, 2000, that addresses the Ruger contributions. This letter was in response to an Information Notice dated October 6, 2000. Please let me know if further clarification is required by the FEC.
- The Committee was unaware that the National Association of Health Underwriters PAC was not a qualified multicandidate committee when the contribution in question was received. This contribution has been remedied; this action will be noted on the appropriate report.
- A computer tabulation error generated an erroneous Detailed Summary Page for the Committee's Amended 12 Day Pre-Primary Report. Enclosed, please find an amended Detailed Summary Page that contains the correct figure as reported in the Committee's original report.

Thank you for your attention to this matter.

Sincerely,

Alexander Bass
Treasurer
